Message from the Deputy Mayor

On Australia Day I had the pleasure of welcoming dozens of new citizens into our great country at one of the biggest and most energetic citizenship ceremonies the City of Cockburn has hosted.

It was such a thrill to be a part of this day with so many of our residents who have chosen to make Australia their home and who, by being sworn in, are privy to the rights and privileges of an Australian citizen.

At the ceremony I also had the honour of presenting the 2009 Premier's Australia Day Active Citizenship Award, which was awarded to the committee of the Coogee Jetty to Jetty swim event.

Some 500+ people participate yearly in this event, held on the first Sunday in March at Coogee Beach, organised by the Cockburn Masters Swimming Club and Rotary Club of Cockburn. The committee received this award for its sense of community involvement, committed service to Cockburn and contribution to the Cockburn community from funds raised in the event and donated to local schools and projects.

Events like the swim demonstrate the essence of community in Cockburn. I congratulate members of the swim committee on winning the award and all the West Australian Citizen of the Year nominees; I look forward to another successful swim this year.

Deputy Mayor
Kevin Allen

Cockburn Councillor Corner

Cr Sue Limbert at the 2008 Hello Baby event.

Cr Sue Limbert

Why did you want to be a Councillor at the City of Cockburn?

I have lived in Cockburn since 1966 and am very proud to be a resident of Cockburn. I have been involved in local Government for many years and am aware of the many roles and functions local government provide. I knew it would be time consuming and the workload would be great but I still wanted to be involved. I really love the people of Cockburn.

What has been the highlight of your time as one of Cockburn's Councillors?

Being actively involved, serving and representing my community to the best of my ability and meeting so many great people.

What future projects in Cockburn are you excited about?

It's an exciting time for us all in Cockburn as there are many exciting projects happening. I am keen to see them all completed: Port Coogee, the Cockburn Seniors Centre, Coolbellup Community Centre upgrade and redevelopment and so the list goes on. The bus tours of Cockburn for residents of the City are a great way to see what's happening and the many free events provided to the community throughout the year.

Describe yourself in three words.

Confident, enthusiastic and motivated.

What are your plans for this summer?

Out and about with the community, family and friends. I truly love life and I fit so much in.
